New York city extends a welcome to them, and the great Empire State, which I have the honor in part to represent, tenders a sin

day between striking glass-blowers and in Paris the other evening, says Eugene 300 Polish blacklegs. Revolvers were freely used, and one man was killed and wanted to play a game, but they did not know each other. The elder, Mr. Combe Tennant, made bold to say: "Will you join me in a game of bil-liards, sir? My name is Tennant-Pm the brother of the lady who married Mr.

the other. "I shall be most happy to join you. My name is Chanler—I'm the brother of the gentleman who married

but few can equal. Its rich, insinuating, and original melodies, so dear to the popular ear, add instead of detracting from its artistic value, which latter has drawn praise from the great writers and detracting from the great writers and delegates and 100 more approaches and surely.

Miss Amelic Rives."

By the way, I learn from good source that Mr. and Mrs. Chanler are not as fast friends as could be wished. A distant from the great writers and deposit, they readily commended to the alloy between Tenth and Blosenth streets, and they each a depth and Blosenth streets, and have each a depth and Blosenth streets, and that it cures lupus quickly and surely.

The General Assembly of Knights of Labor met in Denver, Col., yesterday fast friends as could be wished. A distinct coolness has arisen between the property will bring at auditor to the canal focus, which serve as an exception of the alloy between Tenth and Blosenth streets, and have each a depth and Blosenth streets, and they exceed the street streets and street "The trouble with Amelie," observed resid one of the family to me not long ago, is the same trouble that we find in her literary work, Both of them are full of talent, but neither has ever been properly edited."

Another Probable Democratic Gain

(By telegraph to the Dispatch.)
CHICAGO, LLL., November 10.—In the fficial count in the First congressional listrict to-day Ewing (Democrat) gained 222 votes in two wards. This ratio, if ept up, would elect him over the present incumbent, Congressman Abner Tay lor.

To the Delegates to the MINISTERIAL CONVENTION.

REVEREND SIRS:

Many of our clerical about thirty miles from Atlanta, and the Oconce bridge, about eighty miles from Atlanta.

The loss of six men from the whaling-schooner Charles Morgan, which arrived at San Francisco Saturday from the Okhotsk seas, has just been made public. The men left the vessel in a small boat on September 1st in pursuit of a whale. The whale was successfully harpooned and started off at a rapid rate, taking the boat aiter him, which contained become and started off at a rapid rate, taking the boat aiter him, which contained become and started off at a rapid rate, taking the boat aiter him, which contained become and started off at a rapid rate, taking the boat aiter him, which contained become and started off at a rapid rate, taking the boat aiter him, which contained become and started off at a rapid rate, taking the boat aiter him, which contained become and started off at a rapid rate, taking the boat aiter him, which contained become and started off at a rapid rate, taking the boat aiter him, which contained become and started off at a rapid rate, taking the score and The Garments are beyoud doubt the best-fitting ones to be found anywhere.
